

Join us in the community gardens...

We need your help to keep Bowmanville beautiful! Many hands are needed to weed, move mulch, plant and prune.

Saturday, April 24, 2010

9:30 am until 1:30 pm

Bowmanville Garden at Leavitt and Bowmanville

Gateway Garden at Balmoral on the westside of Ravenswood

Westgate Garden at Berwyn and Bowmanville

Bring shovels, rakes, wheelbarrows, wagons, brooms, pruners, loppers or other tools to trim shrubbery, if you have them.

Volunteers to bring refreshments are still needed for this workday. Please contact Betty at 773-784-4655 or via gardening@bcochicago.org for more details.

Garden-related education sessions are planned at the Gateway Garden on each Saturday workday at 11:30 am – 12:30 pm, so you might learn something while helping out!*

This month's education class will focus on companion planting, spacing and vertical gardening, and plant selection to produce all season long.

If you missed last month's **hose and hydrant demonstration**, another lesson will be given for all vegetable plot gardeners, for watering their plots and the community area.

**If weather is inclement, the education sessions will be held at the Tempel Steel Training Room, 5448 N. Wolcott.*

For more information, please send an e-mail to gardening@bcochicago.org or call 1-866-837-1006.

We also work in the evenings on the **2nd Wednesday of each month** from 6 pm until dusk.

If you can't make the workdays, contact gardening@bcochicago.org for specific tasks you can help with on your own schedule.
